

## Part 4- Writing

Today you have learned about the future of technology, science, and business. Your teacher has asked you to write a well-organized essay of at least 450 words that answers the question below.

*Considering the advances in areas such as science, technology, and business, are you mainly optimistic or pessimistic about the future of Turkey (or your home country)?*

*Use specific reasons and examples from AT LEAST ONE of the areas mentioned above (science, technology, or business) to support your opinions.*

Write a well-organized essay of at least 450 words that answers the question above.

Try to support your opinion with appropriate ideas, examples, and details from the texts you have read and listened to in the morning.

You can use the space below to brainstorm your ideas.

Your notes on this sheet will NOT be graded.
